State Waste Discharge Permit No. 5103
Expiration Date: 11/19/89

Dear Mr. Newbore:

Based upon your letter of March 25, 1986 and our understanding that Pioneer Construction Materials Company (PCMC) has changed its name to Northwest Aggregates Company (corporate office located in Portland, Oregon), the records in this department will reflect this name change. Enclosed is the new cover page of the existing permit issued to PCMC on November 19, 1984.

In the event a significant change in the operation or discharge occurs at the facility, you should immediately notify this office.

If you have any questions in this matter, please contact Mr. Craig S. Baker, telephone (206) 885-1900.

Sincerely,

Mary A. Kautz

RE: State Waste Discharge Permit Number 5103

Dear Ms. Kautz:

Pioneer Construction Materials Company, a Division of Riedel International Incorporated and Lonestar Industries, Inc. have formed a new joint venture company, Northwest Aggregates Company, which will own and operate several gravel pits in the Puget Sound area. Included is a Maury Island pit which holds permit number 5103. Will you please convert the name in your files to Northwest Aggregates Company. Future correspondence should be addressed to:

Jim Repman
Northwest Aggregates, Co.
P.O. Box 1730
Seattle, WA 98111

If you have any questions, please call Jim Repman in Seattle at 764-3000.

Sincerely,

Western Pacific Construction Materials
(a division of Riedel International, Inc.)

Gary Newbore
